

Declaration of Commitment to the FSC Policy for Association

Through this declaration, the undersigned organization commits to uphold the shared values of the Forest Stewardship Council (FSC) and to comply with the FSC Policy for Association (FSC-POL-01-004 V3-0).

The organization explicitly agrees, currently and for as long as the relationship with FSC exists, to not engage in the following unacceptable activities:

- a) Illegal harvesting or trade in forest products
- b) Violation of traditional or human rights within the forestry or forest products sector
- c) Violation of any of the ILO core conventions within the forestry or forest products sector¹²
- d) Significant damage to high conservation values in forests
- e) Significant conversion of forests to plantations or non-forest use
- f) Use of genetically modified trees for purposes other than research (which includes field trials), such as for commercial purposes

This declaration of commitment to the FSC Policy for Association extends to all entities within the organization's affiliated group.
